

**NEXT GENERATION INITIATIVE  
CITY OF DELRAY BEACH  
CITY COMMISSION JULY 6, 2021**

---

# THE NEXT GENERATION INITIATIVE

- The City of Delray Beach believes that innovative cities grow when they develop and mentor the Next Generation of government leaders.
- Therefore, the City is committed to collaborating with colleges and universities to help cultivate tomorrow's government leaders through our Next Generation Initiatives "Grow your own" .

---

# NEXT GENERATION INITIATIVE PROGRAMS

- Delray Shadow Day
- Internship Program
- Technical Apprenticeships (coming soon)
- Volunteering

# DELRAY SHADOW DAY

- Delray Shadow Day is a one-day event that the City of Delray Beach hosts every December.
- College students or recent college graduates are paired with Delray Beach employees to join them on their day-to-day activities.
- Mentors and Shadows are paired based on the Shadow's major and the Mentor's occupation.
- Shadowing allows students to observe full-time professionals and experience a typical workday
- Since starting Delray Shadow Day in the winter of 2017, we've had a total of 140 Shadows participate in our annual event.

# CITY OF DELRAY BEACH INTERNSHIP PROGRAMS

- The City of Delray Beach hosts both year-long internships and summer internships.
- The hours vary depending on department need or the academic credit requirements.
- Interns work alongside Mentor on various projects.
- During the Summer Internship Program, interns attend career building workshops and networking events.

# FAREWELL LUNCHEON

---

# APPRENTICESHIP PROGRAM

## COMING SOON

- The Apprenticeship program will focus on students training for technical positions.
- We are collaborating with local technical schools to mentor the next generation of city leaders.
