# PARK TEN

INDUSTRIAL BUSINESS PARK

## Park Ten Sign Criteria:

Tenants have the freedom to use their company logos signs on any of the above-mentioned buildings may be illuminated or non-illuminated signs and may use a variety of colors. Signs may be metal, aluminum or sign composite. Signs may be front lit channel or flat non-illuminated. All Tenants are to acquire permits by the City prior to installation and must follow the City of Delray Beach codes.

All signs are to be wall signs and shall comply with the following:

Wall	One per every 2,400 SF leased by the tenant	15% of building face (max. of 12' height, for computational purposes only, times the width) not to exceed 160 square feet	facing each dedicated street frontage
	one per building	9 square feet	on rear of building not facing street
	one per business	15% of building face (max. of 12' height, for computational purposes only, times the width) not to exceed 160 sq. ft.	facing I-95
