He urged the City Commission to vote "no" on Resolution No. 150-18 and not proceed with Phase II of the Fire Assessment Fee Study. Mr. Sartory entered emails into the record in opposition of the fire assessment fee.

Christina Morrison, 2809 Florida Boulevard, Delray Beach, stated the tax rolls will increase by several millions of dollars from construction going on in the city every year and noted that this impacts a homeowner exactly the same as it would impact a mansion home. She urged the City Commission to deny this fire assessment fee.
