Board Comments

- Robert Cohen – Questioned the lift in the garage.
Spoke about the fence on the side alley and that there were several other gates?
Why so many.
What does it look like?
- Chris Davey – There are no pictures to review. Also concerned on the abutting property.

- Garland Williams – If this is not approved, would we need to come back to the board? Yes.
- Vlad Dumitrescu – Concerned about the side of the building – square footage. The garage lift – Would that be a Condition of Approval? How does this work with a under size lot?
- Michael O'Connor – If setbacks are granted and they do not build, what happens at a future time?
- Chris Davey – How does the applicant want to proceed?
 - James Sandwich – To come back. The board has asked for specific details.
- Robert Cohen – We are looking for renderings and the 2nd floor.
