6. OLD BUSINESS:

A. Assistant Chief Sapino's Update:

Members of the board were provided with Part 1 Crime Statistics for 2020, which revealed an increase of 3% from the previous year. For Crimes Against Property, it was noted that aggravated assaults/battery incidents had increased by 44% in 2020 in comparison to 2019. This is nationwide and a contributing factor due to the pandemic, the rise in violence, loss of jobs, etc. For the Crime Against Property, motor vehicle theft incidents (locked and unlocked vehicles) increased by 17% in 2020 in comparison to 2019. The highest uptick in crime geographically was the northwest section of our city, which was reported at 13% for 2020.

For the current year, there has been a significant uptick in robberies and business burglaries, residence and/or shed. A recent arrest was made in a burglary where suspect(s) broke into a local business and committed theft of liquor. Our agency has worked with the establishment and provided them with crime prevention measures to deter crime. In January of this year, there were 194 larcenies and in December of 2020 there were 184 larceny incidents. Our agency is working with Downtown Development Authority to educate business owners on crime prevention and ensure the safety of our visitors and residents on the Avenue.

One of the crime trends this year that have been reported is pick-pocketing in the downtown area. There have 34 incidents since October of 2020 and an arrest was made recently.

A total of 17 overdoses were reported for the month of January of 2021 and one overdose death. The city is in the process of applying for a state-funded grant that would assist our agency in expanding the Community Outreach Team with additional officers and a sergeant for 24-hour coverage.

The police department uses several social media platform and networks to disseminate and share information with the residents.

The city is proposing an aggressive panhandling ordinance and the final reading will be on February 16, 2021.

A discussion ensued regarding the distribution of COVID-19 vaccines for the police department.

Next meeting is scheduled for Monday, April 12, 2021.
