ACCEPTANCE OF A HOLD HARMLESS AGREEMENT FOR 526 N. OCEAN BLVD.

**Recommended Action:**

Motion to Approve and accept a Hold Harmless Agreement to relocate an 8" water main within the State Right-of-Way on North Ocean Boulevard (A1A) for the property located at 526 North Ocean Boulevard.

**Background:**

The owner is planning to remove and relocate an 8" water main within the State Right-of-Way on N. Ocean Boulevard (A1A). As a result, a permit from the Florida Department of Transportation (FDOT) is required. Since the City will be maintaining the 8" water main within the FDOT right-of-way, FDOT requires that the City sign the permit application. The Hold Harmless Agreement provides the City with a one year warranty for all work completed within FDOT right-of-way by Owner.
