Recommended Action:

Motion to approve Resolution No. 178-21 to approve the issuance of a Purchase Order to Rep Services, Inc. for the purchase and installation of a shade structure at Barwick Park, in the amount of \$100,170.

Background:

On February 9, 2021, the City entered into a Master Contractor/Services Agreement in the initial amount of \$179,000 to purchase various equipment and amenities for parks and playgrounds based on the same terms, conditions, and pricing provided under Solicitation No. 18/19-2 with Clay County. The initial amount requested was for two (2) specific projects at Anchor Park and Mike Machek Boy Scout Park and did not contemplate additional projects that may be necessary.

On July 13, 2021, the City requested an increase to the contract value in the estimated amount of \$400,000 thru June 2, 2022, for required improvements at various City parks.

This request is for the purchase and installation of a SkyWays shade structure over the playground at Barwick Park. SkyWays shade products are designed to meet the demands of both heat and sun, shielding people from up to 97% of UV rays and keeping playground structures as much as 30-
