TRAFFIC ENFORCEMENT AGREEMENT BETWEEN THE DELRAY BEACH POLICE DEPARTMENT AND CLEARBROOK HOMEOWNER'S ASSOCIATION

**Recommended Action:**

Motion to Approve a Traffic Enforcement Agreement between the Delray Beach Police Department and Clearbrook Homeowner's Association to allow the Delray Beach Police Department to enforce state and local traffic laws on the private roads of Clearbrook Homeowner's Association.

**Background:**

This Agreement will allow the Delray Beach Police Department to enforce state and local traffic laws on the private roads of the Clearbrook Homeowner's Association. The Agreement also mandates that the Homeowner's Association comply with the speed limits set by Florida Statute and follow Department of Transportation standards for traffic control devices. The Police Department believes that allowing enforcement of state and local traffic laws will enhance our presence in the area and have a more direct impact on crime in that area.

**City Attorney Review:**
