**Recommended Action:**

Review and Consider a Perpetual Easement Agreement located at Section 19, Township 46 South, Range 43 East, Palm Beach County Florida to provide certain public improvements, including but not limited to, sidewalk, pathways, lighting, curbing, drainage facilities, street furniture, handicap access, utilities and landscaping from "The Grantee", The City of Delray Beach, for the subject property located at 777 S. Congress Avenue.

**Background:**

At its meeting of February 25, 2019, the Planning and Zoning Board reviewed a request and voted 7 to 0 to recommend approval to City Commission for a rezoning from Mixed Residential, Office and Commercial (MROC) to Special Activities District (SAD). At its meeting of March 27, 2019, the Site Plan Review and Appearance Board (SPRAB) approved a Class III Site Plan, Architectural Elevations and Landscape Plan, which included minor facade changes, the addition of a car lift, interior renovation, and landscape improvements. As a condition of approval, the applicant is required to dedicate a 10-foot wide Perpetual Greenway Easement Agreement for

public improvements along the CSX Railway. The City Commission adopted Ordinance No. 14-19 on April 16, 2019 approving the rezoning of the property to Special Activities District (SAD).

The current action is the acceptance of a Perpetual Greenway Easement Agreement. The Grantor is proposing to dedicate 5,587.70 square feet perpetual greenway easement located at a parcel of land lying in Section 19, Township 46, South, Range 43 East, Palm Beach County Florida. The easement will contribute to a future bike-ped trail along the CSX Railway.
