Background:

The Delray Beach Community Redevelopment Agency awarded the Greater Delray Beach Chamber of Commerce (Chamber) a \$25,000 A-GUIDE grant for FY 2018-2019. This award represents 3% of the Chamber’s \$1,051,310 budget. As of the end of the year, the Chamber raised revenue of \$775,437 and had a net income of \$109,869.

The A-GUIDE grant was awarded to support the 1909 Accelerator Program in partnership with Palm Beach Tech for one year. Below are highlights and program snapshots along with year-end totals from the Chamber’s fourth quarter FY 2018-2019 A-GUIDE Report for agreement ending September 30, 2019.

The Chamber experienced some hurdles in implementing the program, including downsizing participant enrollment from fifty (50) participants to twenty-five (25) due to the partial award of funding. Sixty percent of the targeted enrollment was achieved. The program also had a late start due to insufficient program promotion, however, was ultimately able to launch during the end of the second quarter. Services were provided as proposed, with actual enrollment of fifteen (15) participants, 100% of which successfully competed and graduated from the program.
