GRANT APPLICATION / DEPARTMENT OF JUSTICE BULLETPROOF VEST PARTNERSHIP

Recommended Action:

Motion to approve application to the Department of Justice's Bulletproof Vest Partnership program. If approved, this initiative would provide for the 50% of the cost of the bulletproof vest purchased for our Police officers, up to the amount not to exceed \$38,000.00

Background:

The Delray Beach Police Department requests approval to submit an application to the Department of Justice's Bulletproof Vest Partnership program. If awarded, this program would provide 50% of the cost of the bulletproof vests purchased for our Police officers. The Delray Beach Police Department currently has a Bulletproof Vest award with the Department of Justice and this application represent an opportunity to extend our current award program. Bulletproof vests are necessary life-saving equipment which Law Enforcement Agencies are required to procure. According to the DOJ website, "The Bulletproof Vest Partnership (BVP) is unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. "The Department is projecting about eighty-six vest purchases (New personnel as well as mandatory replacements which occur on a five year cycle) in the next two years at an approximate cost of \$882.00 per vest. The total request from the Bulletproof Vest Program is estimated at \$38,000 based on the total estimated purchases for the next two years. (\$882.00 x 86 = \$75,852/ 50% = \$37,926)
