### AMENDMENT TO LOCAL RULES OF PROCEDURE

**Recommended Action:**

Motion to approve Local Rules of Procedure as amended.

**Background:**

At the June 4, 2024, City Commission meeting, the City Commission directed staff to amend the City of Delray Beach Local Rules of Procedure to include a Code of Conduct for members of the commission. Commissioners, upon appointment or election, would be required to execute a form acknowledging the City's Code of Conduct. Violations of the Code of Conduct could result in censure or reprimand.

**City Attorney Review:**

Approved as to form and legal sufficiency.
