RESOLUTION NO. 20-17

Recommended Action:

Motion to Approve Resolution No. 20-17.

Background:

Resolution 20-17 expresses the City Commission's opposition to proposed legislation that would preempt the City from regulating the placement of "small" or micro" antennas on taxpayer-owned public structures and public rights-of-way. The City urges the Florida legislature to oppose this legislation as a derogation of the City's "Home Rule" authority.
