Recommended Action:

Motion to Approve Ordinance No. 12-17 on first reading to amend Section 2.4.7(E) of the LDRs to clarify and update the appeals procedures.

Background:

This City-initiated LDR amendment is to clarify the process and procedures for appeals due to some recent cases.

This amendment will make the following changes to Section 2.4.7(E):

- Removed references to parties to be consistent with recent changes to the quasi-judicial rules.
- Limited appeals to actions of City boards and administrative interpretations (Struck ability to appeal findings made by boards).
- Streamlined the filing information requirements.
- Changed the procedure to clarify that the appeal must be heard within 60 days unless the City has granted a one-time postponement.
- Changed “Findings” section to “Standard of Review” and clarified the standard of review for administrative decisions to be consistent with Federal and State law.
