**DATE:** July 18, 2017

RESOLUTION NO. 48-17 BEACH RENOURISHMENT PROGRAM

### **Recommended Action:**

Motion to Approve Resolution No. 48-17 in support for the Delray Beach Renourishment Program.

### **Background:**

This Resolution affirms the City's support of the funding commitment for the local share of the Delray Beach Renourishment project. This local share is provided by Palm Beach County pursuant to an interlocal agreement dated July 10, 2013.

The Florida Department of Environmental Protection (FDEP) is undergoing its annual update of the Florida Beach Management Program Long-Range Budget Plan and they are developing a prioritized list of State Beach Erosion Control Projects. The culmination of this process is the preparation and submittal of the Department's Fixed Capital Outlay, containing Local Government Funding requests to establish State funding priorities for FY 2018-19.

FDEP requires a resolution of support and acknowledgement of funding commitment for the local share annually. The attached resolution meets this requirement.

### **City Attorney Review:**

Approved as to form and legal sufficiency.

### **Finance Department Review:**

Finance recommends approval.

**Funding Source:**

N/A

**Timing of Request:**

This is a time sensitive item. The Beach Management Funding Assistance Program is developing the annual prioritized list of beach and inlet management projects for inclusion in the Department's FY 2018-2019 Local Government Funding Request (LGFR). The deadline for application submittals is August 1, 2017. As part of the LGFR for 2018/2019 a local sponsor resolution is required from the local sponsor's governing board.
