Motion to approve a purchase of one new rescue transport vehicle from Rev RTC, Inc. dba Hall-Mark RTC in an amount not-to-exceed \$535,000 utilizing the Florida Sheriff's Association Contract No. FSA16-VEF12.0.

Background:

On April 1, 2016, the Florida Sheriff's Association awarded Contract No. FSA16-VEF12.0 (Contract) to several companies for the purchase of fire-rescue vehicles and other equipment. The Contract is valid through May 4, 2018. The price for this vehicle utilizing the Florida Sheriff's Association Contract No. FSA16-VEF12.0 is \$527,776, which includes custom modifications to meet the City of Delray Beach's specific needs. Staff requests a contingency fund of \$7,224 to allow unforeseen costs, such as minor specification changes after award.

The Fire-Rescue Department is requesting to purchase a new rescue transport vehicle to service the community. This vehicle will replace a 10-year old rescue transport vehicle that is primarily housed at

Fire-Rescue Station No. 112. Vehicle #200865 has reached the end of its life expectancy and has accrued more than 142,000 miles. The repair and maintenance costs of this vehicle have reached 95% of the original purchase cost of the truck, and it has a replacement value of 15 (the highest replacement value) calculated through our Fleet Management software.
