

## Legislation Text

---

File #: 17-131, Version: 1

---

**TO:** Mayor and Commissioners  
**FROM:** John Morgan, Environmental Services Director  
**THROUGH:** Chief Neal de Jesus, Interim City Manager  
**DATE:** February 21, 2017

PRIOR APPROVAL OF FISCAL YEAR 2017 SPENDING LIMIT GREATER THAN \$25,000 WITH A ONE FIRE EQUIPMENT, INC.

**Recommended Action:**

Motion to approve multiple acquisitions of less than \$25,000 each to A One Fire Equipment, Inc. for Fire Trucks, Ambulances and Heavy Equipment parts in a total not-to-exceed amount of \$35,000 for Fiscal Year 2017.

**Background:**

Fleet Division in the Environmental Services Department has an on-going requirement for parts in order to properly maintain the fleet of Fire trucks, ambulances and other equipment such as multi-function switches, battery chargers, electrical components, lights, brakes, intercom systems. A One Fire Equipment, Inc. frequently provides the lowest quotes for parts and the Fleet Division is requesting approval to use A One Fire Equipment, Inc. for multiple purchases during Fiscal Year 2017 in a not-to-exceed amount of \$35,000. To date in Fiscal Year 2017, A One Fire Equipment, Inc. has been awarded orders totaling \$2,864.

**Spending amount over the past three years**

2016- \$25,051  
2015- \$11,911  
2014- \$8,630

By approving the recommended motion, the Commission is recognizing that multiple small and unpredictable purchase decisions that are likely to occur over the course of the year will total over \$25,000. This amount of spending requires prior Commission approval under the City Code of Ordinances, Chapter 36, Section 36.03(B), "*Multiple Acquisitions From Vendor Exceeding Twenty-Five Thousand Dollars (\$25,000.00) in Any Fiscal Year*".

**City Attorney Review:**

Approved as to form and legal sufficiency.

**Finance Department Review:**

Finance recommends approval.

**Funding Source:**

Funding is available from several operating expense accounts.
