### ACCEPTANCE OF A HOLD HARMLESS AGREEMENT FOR 900 S. OCEAN BOULEVARD

#### **Recommended Action:**

Motion to approve and accept a Hold Harmless Agreement for 900 S. Ocean Boulevard.

#### **Background:**

The condominium owner (Leslie T. Campbell with coordination from Line-Tec, Inc.) is planning to install a water service line from existing utilities within the State Right-of-Way on S. Ocean Boulevard (A1A). As a result, a permit from the Florida Department of Transportation (FDOT) is required. Since the City will be maintaining that part of the service within the FDOT right-of-way, FDOT requires that the City sign the permit application. The Hold Harmless Agreement provides the City with a one year warranty for all work completed within FDOT right-of-way by the property Owner.

#### **City Attorney Review:**

Approved as to form and legal sufficiency.

#### **Finance Department Review:**

#### **Funding Source:**

Not applicable.

#### **Timing of Request:**

The timing of this request is of high importance in order to process the utility permit for proposed work.
