File #: 17-618, Version: 1

TO: Mayor and Commissioners
FROM: Caryn Gardner-Young, Assistant City Manager
THROUGH: Chief Neal de Jesus, Interim City Manager
DATE: August 2, 2017

THIRD AMENDMENT TO THE INTERLOCAL AGREEMENT WITH THE CITY AND THE COMMUNITY REDEVELOPMENT AGENCY (CRA) FOR FUNDING CONSTRUCTION AND PROFESSIONAL SERVICES FOR FY 2016-2017

Recommended Action:

Motion to Approve the Third Amendment to the Interlocal Agreement (ILA) between the City of Delray Beach (City) and the Community Redevelopment Agency (CRA) for funding of construction and professional services to revise the funding amounts for projects approved in the CRA's final FY 2016-2017 Budget Amendment.

Background:

On November 1, 2016, the CRA adopted their FY 2016 - 2017 Budget which included an Original Interlocal Agreement with the City for funding of construction/professional services for projects within the CRA area. Per the Agreement, funds for each project are transferred to the City at the time that a contract is awarded or a service authorization (consultant agreement) is approved.

On March 3, 2017 the CRA approved the First Amendment to the Original Interlocal Agreement (ILA) to provide for changes in the amount of funding for projects listed in Exhibit "A" in the Agreement.

The City of Delray Beach and the CRA desire to enter into a Third Amendment to the Original Interlocal Agreement in order to amend Exhibit "A" to the Original Agreement, to provide for change in the amount of funding for the Old School Square Fieldhouse maintenance, eliminate the Parking Study Implementation -- Wayfinder Signage project, eliminate the Swinton and Atlantic Intersection project and the add the Veteran's Park Seawall and Dock Repair project listed on Exhibit "A" to the Original Interlocal Agreement.

City Attorney Review:

Approved as to form and legal sufficiency.

Finance Department Review:

Finance recommends approval.

Funding Source:

Funding is available from the Community Redevelopment Agency through multiple accounts.

Timing of Request:

Immediate implementation of the Old School Square Fieldhouse Project is a high priority to ensure a continued level of service for the facility.
