ACCEPTANCE OF A WATER AND SEWER EASEMENT GRANTED BY DELRAY MEDICAL CENTER, INC.

Recommended Action:

Motion to Accept a Water and Sewer Easement granted by Delray Medical Center, LLC.

Background:

Delray Medical Center located at 5352 Linton Boulevard partnered with Proton International to add the Delray Beach Radiation Therapy Center; a facility that will provide an advanced form of cancer treatment to their campus. The Radiation Therapy Center will be a 38,520 square foot, two story, stand-alone structure located east of the main hospital in an existing parking lot. As a result, an 8" water main and sewer connection are required and the respective water and sewer easements will grant access and maintenance rights to the City of Delray Beach.

City Attorney Review:

Approved as to form and legal sufficiency.

Finance Department Review:

Finance recommends approval.

Funding Source:

Not applicable.

Timing of Request:

Recorded Water and Sewer Easement Deeds are required prior to completion of the Radiation Therapy Center which is currently under construction.
