### APPROVAL OF AMENDMENT NO.10 TO THE MAINTENANCE MEMORANDUM OF AGREEMENT WITH THE FLORIDA DEPARTMENT OF TRANSPORTATION

#### **Recommended Action:**

Motion to approve Amendment No. 10 to the Maintenance Memorandum of Agreement (MMOA) with the Florida Department of Transportation (FDOT).

#### **Background:**

On August 31, 2012, FDOT and City of Delray Beach (City) entered into an agreement for the maintenance and modification of certain landscape improvements within the right-of-way of State Roads. Each subsequent amendment reaffirms the original agreement and acknowledges any new improvements.

Amendment No. 10 is for new landscape and irrigation improvements, within FDOT right-of-way as required by the developers permit, pursuant to the City's Land Development Regulations. This MMOA is specifically for improvements adjacent to a new mixed development referred to as Samar located on State Road 5 (a.k.a. Federal Highway/US 1) from S.E. 3<sup>rd</sup> Street North bound to S.E. 2<sup>nd</sup> Street.

#### **City Attorney Review:**

Approved as to form and legal sufficiency.

#### **Funding Source/Financial Impact:**

Initial improvements will be performed at the developer's expense. Future maintenance of this landscaping will be included within Right of Way Maintenance routine operations activities on Federal Highway.

#### **Timing of Request:**

This issue is very time sensitive. Fully executed MMOA agreements are required by FDOT before the installation of any improvements.
