City Attorney recommends approval of this motion.

Funding Source/Financial Impact:

501-43-390-549.64-20 Automotive Machinery and Equipment

Timing of Request:

This request is time sensitive in that it is necessary to provide the Fire Rescue Department with sufficient vehicles to serve Public Safety interests. Although the order bank for these vehicles was closed on September 27, 2019, we are securing these vehicles through the dealers pre-order allotment from Chevrolet. It is also time sensitive in that the vehicles need to be held through a purchase order before they become no longer available.
