Background:

RIGHT OF WAY DEDICATION(S)

Item A1

Consider acceptance of a 25' Radial Right of Way Dedication on 1021 NW 5th Ave. located at the corner of NW 5th Ave and NW 11th St.

The owner(s), Gary Peter Eliopoulos and Alison Toni Eliopoulos, submitted building permit #19-00185904 on 10/03/19 to construct an addition to single-family residence.

The intersection of NW 5th Ave and NW 11th St. requires a 25' radial right of way dedication per LDR 6.1.2(C) (2) (e) As a result the 25' radius was requested to satisfy the requirement.

There is no City cost now or in the future for these items.

AGREEMENT FOR SIDEWALK IMPROVEMENT, IN LIEU FEE RELEASE, AND REFUND TO BARRY AND ANN CHODASH

Item B1

Consider acceptance of an agreement for sidewalk improvement, an in lieu fee release, and a refund of the Sidewalk in lieu fee to the owner(s) of 1031 White Drive to the City of Delray Beach.

The owner(s), Barry M. Chodash and Ann R. Chodash submitted a sidewalk deferral fee for 1031 White Drive on 7/9/15 in the amount of \$3,024.00. This was in accordance with Section 6.1.3 of the Land Development Regulations (LDRs). On August 11, 2015 the City Commission issued a directive to offer property owners, who had previously paid deferral fees, the option to receive a refund of the respective deferral payment in exchange for an executed signed sidewalk deferral agreement. The deferral requires the property owner(s) to agree to pay for the cost of sidewalk construction in the event the City elects to program and fund sidewalk installation on the respective property described above.

On 2/14/20, the owner(s) signed the notarized deferral release form (Agreement for Sidewalk Improvements). This form will satisfy the requirements to release and refund the funds back to the owner(s) once approved by the City Commission.

STREETLIGHT MAINTENANCE AGREEMENT

Item C1

Consider acceptance of a Streetlight Maintenance Agreement with Owner(s), Samar 202 LLC, to install and maintain streetlights along 202 SE 5TH Ave within the right-of-way of SE 5th Avenue, SE 2nd St. and SE 3rd St. This agreement was made in order to comply with the City's streetlight ordinance in order to provide adequate lighting in the city. Legal review form (approved as to form and legal sufficiency) dated 1/28/20 is included in the documents provided by City Attorney's office.

There is no City cost now or in the future for these items.
