ECONOMIC DEVELOPMENT WORKSHOP

Recommended Action:

Request for direction on priorities and goals for city-led economic development activities.

Background:

On June 3 & 4, 2021 the Commission held their annual Goal Setting Workshop, at which they requested to engage with the Office of Economic Development further in an economic development workshop. The purpose of this workshop is to inform the city about current economic conditions, existing programs, current opportunities, and long term goals. The Commission will have to opportunity to share priorities and offer direction for activities to support citywide economic development.
