STUDY REGARDING INNOVATIVE AND DIVERSE HOUSING TYPES

SPONSOR: DEPUTY VICE MAYOR JULI CASALE

Recommended Action:

Motion to Direct Staff to Obtain a Study for Innovative and Diverse Housing Types.

Background:

This agenda item relates to the attached backup materials concerning innovative and diverse housing types located throughout communities in the United States that provide a different approach to housing shortages and affordability. Such housing types are consistent with the City's Comprehensive Plan. Consensus from the Commission to direct staff to obtain a study for these types of housing types is requested.
