Recommended Action:

Consider Ordinance No. 23-22, a City-initiated amendment to the Land Development Regulations (LDR) to bring regulations governing home-based business into compliance with S. 559.955, F.S. that restricts the power of municipal governments to regulate home-based businesses.

Background:

House Bill 403 was adopted in 2021, amending S. 559.955, F.S. to restrict the power of municipal governments to regulate home-based businesses. The legislative change generally prohibits municipal governments from prohibiting, restricting, regulating, or licensing home occupations in a manner that is different from other businesses in a local government's jurisdiction. The proposed changes are detailed in the attached staff report and ordinance.

The Planning and Zoning Board reviewed the proposed ordinance at its meeting on June 20, 2022,

and voted 5-2 to recommend approval of the request. The Board universally expressed concern at the intrusion by the State of Florida into the home rule authority of local governments. For that reason, Mr. Zeller and Ms. Morrison voted against the recommendation to approve.

The City Commission voted 5 to 0 to approve Ordinance No. 23-22 at its July 12, 2022 meeting.

City Attorney Review:

Ordinance No. 23-22 is approved as to form and legal sufficiency.

Funding Source/Financial Impact:

Not applicable.

Timing of Request:

Ordinance No. 23-22 will become effective immediately at second reading on August 16, 2022.
