(SECOND READING)

**Recommended Action:**

Motion to approve Ordinance No. 29-22.

**Background:**

This Ordinance serves to amend various portions of Chapter 32 of the Code of Ordinances ("Code"), "Departments, Boards and Commissions," as they relate to inadequate attendance by Members of City Board. Specifically, section 32.15, "Definitions," clarifies the definitions of City Board (to not include the City Commission) and Member and creates a new definition entitled "inadequate attendance." The definition "abandonment of office" was replaced with a new definition. Inadequate attendance is defined as absence at 3 or more consecutive regular meetings or absence from at least 30% of the regularly scheduled meetings of a City Board. This definition was derived from a review of other municipalities.

In addition, this Ordinance clarifies the process for removal of a city board member. If removal is due to inadequate attendance, the City Clerk will certify the City Board Member's inadequate attendance to the Commission and a notice will be sent to the City Board Member. If the basis for removal is with or without cause, a majority vote of the City Commission will be required.

Last, the procedure for issuing a notice of removal was clarified. Upon a majority vote of the Commission, the City Attorney will prepare a notice of removal that will be executed by the Mayor and provided to the City Board Member.
