UPDATE ON THE DEVELOPMENT OF THE CITY'S NEW CITIZEN ENGAGEMENT MOBILE APPLICATION

Recommended Action:

Presentation of the City's new mobile application.

Background:

The Director of Information Technology and Director of Communications will be presenting a first-look at the City's new mobile application, part of a series of initiatives aimed at bringing a suite of e-government services to our community. The application will facilitate citizen engagement by allowing citizens and visitors to learn about upcoming events, submit service requests, watch meeting videos, and much more right from their mobile phones.
