

Legislation Text

File #: 23-629, Version: 1

TO: Mayor and Commissioners
FROM: Hassan Hadjimiry, P.E. Utilities Director
THROUGH: Terrence R. Moore, ICMA-CM
DATE: May 16, 2023

APPROVAL OF RESOLUTION NO. 82-23 FOR ISSUANCE OF A PURCHASE ORDER WITH TRI-NOVA, INC., UNDER AN APPROVED CITY STANDARD, IN AN AMOUNT NOT TO EXCEED \$127,516.85.

Recommended Action:

Motion to approve Resolution No. 82-23 for issuance of a purchase order with Tri-Nova, Inc., under an approved City Standard for the purchase of chemical feed pumps in an amount not to exceed \$127,516.85.

Background:

The Utilities Department (Department) has an approved City Standard for ProMinent® pumps. Utilities Water Treatment Plant (WTP), since 2021 has been replacing its aging and obsolete pumps with ProMinent® pumps. This request is to purchase additional chemical feed pumps for Ferric Chloride, Fluoride, and Phosphate. Having one brand of pumps is in the City's best interest and reduces the financial impact and adds consistency to the same parts and components opposed to a variety. Chemical feed pumps are a critical component in the treatment process for potable water.

The Utilities Department requests to procure a purchase order with Tri-Nova, Inc., the distributor of these pumps in a total amount not to exceed \$127,516.85.

This motion is in accordance with the Code of Ordinances Chapter 36, Commission Approval Required and Purchasing Policies.

City Attorney Review:

Approved as to form and legal sufficiency.

Funding Source/Financial Impact:

442-36-260-537.63-90 Utilities-CIP Water Treatment Plant Improvements

Timing of Request:

Is sensitive due to price increase
