A Request for Qualifications for the NW 800 Block of West Atlantic Avenue progressive design-build redevelopment project (RFQ), located on the north side of West Atlantic Avenue between NW 8th and NW 9th Avenues, was issued on January 30, 2025, with a Proposal Submission Deadline of March 18, 2025.

At the time of the Proposal Submission Due Date, three (3) Proposers submitted a timely Proposal.

Proposals Received (listed in alphabetical order):

DMR Construction Services, Inc.
Hatcher Construction and Development, Inc.
Waypoint Contracting, Inc.

After review by CRA staff, all three (3) Proposers were deemed responsive, and an Evaluation Committee comprised of the following individuals was formed:

Ivan Cabrera, Redevelopment Manager, CRA
Rafik Ibrahim, Principal Planner, City of Delray Beach
Kevin Matthews, Project Manager II, City of Delray Beach

The Evaluation Committee independently evaluated the Proposals based on the criteria in the RFQ and met on June 12, 2025, to discuss score, and make a determination of a need for oral presentations. The Evaluation Committee scores were tabulated by CRA staff to arrive at the final score for each Proposer, and were as follows:

Proposer	Composite Score
Waypoint Contracting, Inc.	264
Hatcher Construction and Development, Inc.	248
DMR Construction Services, Inc.	247

The Evaluation Committee did not vote to hear oral presentations and recommended that the CRA move forward with contract negotiations with the highest scoring Proposer.
